Cautions:

California Population Data, 2011

- Due to changes in how race and ethnicity were grouped after 2000 in the population data, use caution when comparing race/ethnicity rates before and after 2000.
- Population data were updated in November 2012 to reflect more accurate estimates using 2010 Census Data. Use caution when comparing rates generated prior to November 2012 with rates generated after that date.
